ZOOMAWAY TRAVEL ANNOUNCES RELEASE OF THE LATEST VERSION OF THE SPINRUSHTM PLATFORM “CASINOCADÉ”

Now available for download at Apple App and Google Play stores

VANCOUVER, BC – May 23, 2017 – ZoomAway Travel Inc. (TSX VENTURE: ZMA) (FRANKFURT:4ZO) (the “Company”) www.zoomaway.com, announced today that its wholly owned subsidiary, ZoomAway Inc.’s revenue share partner Zero 8 Studio’s released a new upgraded version of its free to play social gaming platform SpinRushTM.

The upgraded SpinRushTM mobile social gaming platform contains unique features that enables casinos, resorts properties and businesses, to have a white-labeled solution to a virtual free-to-play casino and arcade outside of the regulated gaming space. Importantly the SpinRushTM platform allows for property to user advertising, promotion, branding, integration with property data stores, integration with user’s social network identities, a virtual property, in-game virtual currency, tokens and credits.

The continually growing and enhanced platform is comprised of free to play, social based, interactive games such as Slots, Video Poker, and Blackjack. SpinRushTM stands out among the competition as it incorporates arcade, and skill based matching games: RPG’s, Endless Runners, Darts, Shuffleboard, Pool, and Carnival Games.

“The SpinRushTM platform gives our Sales Team yet another solution for our existing hospitality and gaming clients. Our clients are asking for new solutions to engage, retain and entertain millennial consumers, the SpinRushTM platform does just that by integrating “Gamification” and “Social Gaming” to our suite of White Label products. The quality of the Zero 8 products gives us a significant point of entry as we expand our White Label Technology Solution in new markets,” said Sean Schaeffer, CEO of Zoomaway Travel Inc.

As with most “free to play” games, revenue opportunities are generated as players run out of credits, then make “in game” purchases of additional credits to continue the game. Under the five-year agreement ZoomAway Inc. possesses the exclusive, worldwide reseller rights to SpinRushTM, with ZoomAway initially receiving 70% of adjusted net revenues and Zero8 Studios receiving 30%.

Forward Looking Statements

This release includes certain statements that may be deemed “forward-looking statements”, including statements relating to the use of proceeds from the Offering and the commencement of trading of the Exchange. All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.
